The Nelson County Clerk's certificate dated March 25, 1851, in Pension File W6587 stated that Polly Wright survived her mother and was then living:

"State of Virginia, Nelson County to wit

As set forth above in connection with the children of 1839 James Wright of Nelson County, on July 26, 1858, at Nelson County, Virginia, W.B. K/444 Samuel Coke,

John B. Wright, Nelson Wright, and John Thomas Coke filed their bond to qualify Samuel Coke as administrator of the estate of Polly Wright, and this was the estate of Polly, the daughter of 1839 James Wright, and not the estate of Polly Wright, the daughter of 1816 Andrew Wright.

This record indicates that Mary Wright was born in about 1790.

This record clearly identifies Robert M. Wright as the son of Mary Wright and John B. Wright as the person who cared for her and, therefore, with whom she probably resided. Since the John B. Wright who had a Mary Wright residing with him in 1870 was a nephew of Mary Wright, the daughter of 1816 Andrew Wright, the result is that the Mary Wright who died in 1871 and not the Mary Wright who died in 1858 was the daughter of 1816 Andrew Wright of Nelson County.

The death record of Mary Wright was listed a second time on May 25, 1872, at Nelson County, Virginia:

"Name of Deceased: Mary Wright  
Date of Death: May 25, 1872  
Color: White  
Sex: Female  
Place: Nelson County  
Cause: Consumption  
Age: 72 yrs  
Born: Nelson County  
Occupation: Farmer  
Consort of: unmarried  
Informant: Johnson James  
Relationship: Friend"

This appears to be a late listing of the death of Mary Wright and since the probate of her estate was initiated in 1871, the year of death appears to be incorrectly listed.

In her letter dated July 24, 1996, Lillian H. Herrin enclosed family group sheets which stated that Mary "Polly" Wright was a daughter of Andrew Wright and Lucy (Childress) Wright, was born on July 19, 1790, at Nelson County, Virginia, married, and died in 1871, and that Mary Wright had the following child:

- 1) Robert M. Wright, born at Nelson County, Virginia.

- a. 1855 Robert M. Wright Of Nelson County, His Wives Catherine (Welcher) Wright And Ann N. Or Nancy Ann (Burnett) Wright, And His Descendants

1855 Robert M. Wright of Nelson County was a son of Mary Wright and \_\_\_\_\_. (William<sup>1</sup>, 1816 Andrew<sup>2</sup>, Mary<sup>3</sup>)

The will of Andrew Wright dated November 15, 1816, and probated on  
November 28, 1816, at Nelson County, Virginia, W.B. A/497 listed Elizabeth Fortune as  
his granddaughter:

" . . . . And after the death of my wife it is, my desire for the said Land, to be sold,  
and the money arising there from, to be equally Divided, between my son  
Benjamin Wright, Anne Wright, Esther M. Wright, Polly Wright, Matilda Wright,  
Malinda Wright, Peggy Wright, and my grand daughter Elizabeth Fortune, to  
them and their Heirs for ever, . . . ."

The Nelson County clerk's certificate dated March 25, 1851, in Pension File  
W6587 stated that Elizabeth Fortune survived her mother and was then living:

"State of Virginia, Nelson County to wit

At a Court holden in and for said County on the 24th day of March 1851  
satisfactory evidence was exhibited in Court to shew that Mrs. Lucy Wright  
(widow of Andrew Wright) who was an applicant for a pension, died in said  
County on the 17th day of September 1847 leaving nine children, to wit Benjamin  
Wright, Anna Wright, Esther M. Wright, Lucy Kidd, Polly Wright, Elizabeth  
Fortune, Matilda Woody, Melinda Griffin and Peggy Kidd, who are still alive, and  
that Benjamin Wright was appointed administrator of said Lucy Wright by said  
Court on the 31st day of August 1848 and is still the acting administrator of said  
Lucy Wright

In testimony whereof I Thomas I. Massie Clerk of the County Court of said County have hereunto set my hand and affixed the seal of my office at Lovington this 25th day of March A.D. 1851.

Thomas I. Massie Clerk  
of Nelson County Court."

Although the clerk's certificate dated March 25, 1851, stated that Elizabeth Fortune was then living, this may have been a mistake of the daughter for the mother. As set forth in the Family Bible, an Elizabeth Fortune died on October 11, 1813, but the will of Andrew Wright dated November 15, 1816, did not list his daughter Elizabeth Fortune but did list his granddaughter Elizabeth Fortune. There are two possible explanations. The first is that the Elizabeth Fortune who died in 1813 was the daughter of Andrew Wright and not the granddaughter and, therefore, the Elizabeth Fortune living in 1851 was the granddaughter and not the daughter. The second explanation is that the Elizabeth Fortune who died in 1813 was the granddaughter and that Thomas Fortune and Elizabeth (Wright) Fortune had a second daughter also named Elizabeth in 1814 or 1815 and who was the granddaughter named in the will of Andrew Wright, in which case the Elizabeth Fortune living in 1851 could be the daughter of Andrew Wright. The latter explanation seems the less likely, but further research will be required to determine which explanation is the correct one.

In her letter dated March 28, 1994, Luverne Harstine enclosed family group sheets which stated that Elizabeth "Betsey" Wright was a daughter of 1816 Andrew Wright of Nelson County and Lucy (Childress) Wright, was born on March 6, 1790, in Amherst County, Virginia, married Thomas Fortune on July 9, 1812, and died on October 11, 1813.

This record indicates that George Woody was born in about 1820. The listing might be read as age 30, but this would be a mis-transcription of the census taker's notes, since the oldest son in the household was 20 years old. This record also indicates that Mary Jane (Maples) Woody was born in about 1837. The listing might be read as age 53, but this would be a mis-transcription of the census taker's notes, since, as set forth below, Mary continued to have children until 1876.

The 1880 Census for Madison County, Alabama, listed George Woody with the following household on June 19, 1880:

"Mrs. S B Hollingsworth died at her home here Sunday evening, 3 Jan 1915. All the care and love that skilled physicians and an anxious household could devise and apply for her comfort and assistance were brought into play, but the fiat of HIM who rules our incoming and outgoings had been issued and alter [after] a brief struggle, despite the prayers and entreaties of all who knew and loved her, their appeals were overruled and the suffer,s spirit took flight to that home the Christian believe is the fullfillment of the life everlasting. Her life was gentle, but like the still water, it was deep, in her heart of hearts she carried those she loved, and her hand was never weary, her step never failed in ministering unto, caring for, waiting upon, those who were in any way dependent upon her. To the broken heated [hearted] husband, sons and granddaughter, who sit in carrow [sorrow] where the footsteps shall never again find echo, we extend our sympathy.

Funeral services were conducted by Rev L B Morgan Monday evening and the remains were laid to rest in the Gurley Cem. Buried on 4 Jan 1915 in City Cemetery, Gurley, AL."

This record indicates that Margaret J. (Wright) Kidd was born between 1800 and 1810 and that Pleasant Kidd was born between 1790 and 1800.

Pleasant Kidd has not as yet been located on the 1840 or 1850 Census.

The Nelson County clerk's certificate dated March 25, 1851, in Pension File W6587 stated that Peggy Kidd survived her mother and was then living:

"State of Virginia, Nelson County to wit

At a Court holden in and for said County on the 24th day of March 1851 satisfactory evidence was exhibited in Court to shew that Mrs. Lucy Wright (widow of Andrew Wright) who was an applicant for a pension, died in said County on the 17th day of September 1847 leaving nine children, to wit Benjamin Wright, Anna Wright, Esther M. Wright, Lucy Kidd, Polly Wright, Elizabeth Fortune, Matilda Woody, Melinda Griffin and Peggy Kidd, who are still alive, and that Benjamin Wright was appointed administrator of said Lucy Wright by said Court on the 31st day of August 1848 and is still the acting administrator of said Lucy Wright

In testimony whereof I Thomas I. Massie Clerk of the County Court of said County have hereunto set my hand and affixed the seal of my office at Lovingston this 25th day of March A.D. 1851.

Thomas I. Massie Clerk  
of Nelson County Court."

In her letter dated March 28, 1994, Luverne Harstine enclosed family group sheets which stated that Margaret "Peggy" Wright was a daughter of 1816 Andrew Wright of Nelson County and Lucy (Childress) Wright, was born on May 30, 1801, in Amherst County, Virginia, and married Pleasan M. Kidd.

In her letter dated July 24, 1996, Lillian H. Herrin enclosed family group sheets which stated that Margaret J. "Peggy" Wright was a daughter of Andrew Wright and Lucy (Childress) Wright, was born on May 30, 1801, in Nelson County, Virginia, married Pleasant Kidd on May 26, 1824, in Nelson County, Virginia, and died after June 4, 1882, in Clark County, Illinois.

This was probably the marriage of William Wright, the son of William Wright (Amherst County). There were only two William Wrights listed in the Personal Property Tax Lists for Amherst County, Virginia, at this time, the first William Wright, the son of William

Wright, and the second William Wright, the son of Augustine Wright. Besides the marriage record of William Wright, Jr., and Margaret Johnson on November 21, 1787, at Amherst County, Virginia, there was a marriage of William Wright and Frances Hudson on December 12, 1793. There are several reasons for identifying the former marriage as that of William Wright, the son of William Wright. First, William Wright, the son of William Wright, was older than William Wright, the son of Augustine Wright, and so the use of "Jr." in the marriage record suggests a reference to a father of the same name, rather than to an older/younger designation. Second, the marriage of the older William Wright would be expected to occur earlier than that of the younger William Wright. Third, as will be set forth below, the older William Wright continued to be listed in the Amherst County records after 1800, the younger William Wright was not so listed, and the 1810 Census for Nelson County listed the older William Wright with children whose ages are consistent with a 1787 marriage, but not a 1793 marriage. And fourth, the witnesses and surety are all names of sons of William Wright (Amherst County), indicating that the William Wright of this record was William Wright, Jr., the son of William Wright (Amherst County).

As will be set forth below, William Wright, Jr., had two probable children, the first 1851 William Wright of Amherst County, born between 1760 and 1770 or possibly in 1764 and the second Frances (Wright) Hollingsworth, born in about 1766 or 1767. These dates of birth are before the marriage to Margaret Johnson and indicate that William Wright, Jr., had been married once before. This is also consistent with his age of about 33 at the time of his marriage to Margaret Johnson.

This record indicates that William Wright and Margaret (Johnson) Wright were born between 1740 and 1750. The great age of both the male and female in this household identify them as William Wright, Jr., and Margaret (Johnson) Wright and not some other Wright couple. However, 1740 to 1750 seems too early for their births and their great age may have led the census taker to list them one decile too high and their dates of birth were probably between 1750 and 1760.

Although the Personal Property Tax Lists for Nelson County, Virginia, continued to list William Wrights, it is not yet clear that any of these William Wrights were William Wright, Jr., son of William Wright (Amherst County).

From the evidence set forth above and additional evidence set forth below, the children of William Wright, Jr., and his first wife \_\_\_\_ (\_\_\_\_) Wright were the following:

- 1) Probably 1851 William Wright of Amherst County, born between 1760 and 1770 or possibly in about 1764 in Virginia, and
- 2) Frances (Wright) Hollingsworth.

1. Probably 1851 William Wright Of Amherst County, His Wife

1851 William Wright of Amherst County was probably a son of William Wright, Jr., and \_\_\_\_ (\_\_\_\_) Wright. (William<sup>1</sup>, William<sup>2</sup>)

On about October 13, 1819, at Amherst County, Virginia, Chancery Court File 7, Joseph Dillard filed his complaint against William Wright and other heirs of Jesse Kennedy, deceased, complaining that he purchased 380-1/2 acres of land from the defendants in November 1816, but that the defendants did not have title to one-half of the property:

"To the Honorable Creed Taylor Judge of the superior Court of Chancery directed by law to be holden in Lynchburg. Your orator Joseph Dillard humbly complaining respectfully sheweth. That about the 28 December 1815 himself together with a certain John London purchased of Joseph Kennedy William Wright Ninnion Whittle Jesse Kennedy John Farrar William Kelley Drucella Kennedy Jane Kennedy and Susanna Kennedy who were the heirs and Representatives of Jesse Kennedy decd a tract of land in the county of Amherst containing three hundred and eighty and an half acres for which your orator and

the said London agreed to give seven dollars per acre and for which they executed their bond to the above named persons payable sometime in the month of Novemr 1816 at the time of the purchase aforsd the above named persons whom your orator prays may be made Defendants to this bill represented to your orator and said London that they had a good and sufficient title in fee simple to the land aforesaid which they promised to convey and assure to your orator and the said London and at the time of the contract aforesaid the obligation hereto attached and prayed to be considered and taken as part of this bill was executed by that part of said defendants who were present and was to be signed by those not present as soon thereafter as an opportunity offered. Your Orator & the said John London came to a subsequent agreement by which your orator was to have the whole land and to that end the endorsement was made which will be seen on the back of said exhibit and signed by the said John London. Your orator has since discovered that the said defendants have no title to a greater part of said land more than one half the title to the same being in the heirs at law & legal representatives of a certain Samuel Migginson decd that the said Samuel died seized and possessed thereof and at his death the same descended to his heirs at law; the defendants pretend that their ancestor purchased the same of the representatives of said Migginson but of this if it be the fact there is no record or other assurance or conveyance whatever which the defendants have been able to produce to your orator or which he beleives he can produce - Your orator also charges that those of the defendants who were not present at the execution of the papers exhibited herewith never have executed the same and those only whose names are thereunto signed are all who have yet come into the agreement. He also represents that the defendant Joseph Kennedy William Wright Jesse Kennedy and John Farrar and his wife have made their deed to your Orator and the said John London and this is the only step that has been taken toward conveying to your orator and London the title to the land in question The wife of Wm Wright who was one of the heirs at law of Jesse Kennedy decd Ninnion Whittle and his wife she being one of the heirs of said Kennedy William Kelley and his wife she being also one of said heirs Drucella Kennedy Jane Kennedy and Susan Kennedy never having conveyed to your orator and said London the land aforesaid or any part thereof by deed or other conveyance and never having signed the title bond herewith exhibited or come into any written agreement whatever by which they are bound to convey to your orator & London the tract of land which was the consideration for the bond your orator and said London executed to them - But the said defendants availing themselves of the circumstance that they were in possession of said bond have brought suit thereon in the Superior Court of law for the County of Amherst which court the suit is now depending Your orator has proposed to said defendants to pay the bond aforesaid on their conveying to him the land, or if they cannot or will not convey to him the title to the land he has proposed to them to cancell the agreement respecting it neither of which propositions the Defts have acceded or will accede to, but they are endeavouring to compell your orator & said

London to pay the bond when they either cannot or will not convey to them or to your orator with the assent of said London the land which was the consideration thereof. In tender consideration whereof may it please your honor to make the said heirs at law of the said Jesse Kennedy Defendants to this bill that they may answer the same on oath and that they may be decreed to convey and assure to your orator the title in fee simple to the land aforesaid and to this end that the said London may also be made defendant to this bill Your orator being at all times willing to confess a judgment in the suit at Law on the bond and to pay the money on receiving a title to the land in question in conformity with the terms of the original agreement and may it please your honor to enjoin the said defendants from all further proceedings at law on the bond aforesaid till the further order of this court and to grant to your orator all such other and further aid and releif as in equity he may be entitled to And your orator as in duty bound will pray &c

In April 1820 at Amherst County, Virginia, Chancery Court File 7, William Wright and Cynthia (Kennedy) Wright and other defendants filed their answer to the complaint of Joseph Dillard denying the plaintiff's allegations:

"And at rules holden in the Clerks office of the said superior court of Chancery in the month of April 1820 the defendants appeared by counsel & put in their answer to the foregoing bill of the plaintiff in these words

To the Honorable Creed Taylor Judge of the superior court of Chancery directed by law to be holden at Lynchburg the joint answer of Joseph Kennedy William Wright and Cinthia his wife (late Cinthia Kennedy) Ninnion Whittle and Oney his wife (late Oney Kennedy) Jesse Kennedy John Farrar and mary his wife (late Mary Kennedy) William Kelly and Nancy his wife (late Nancy Kennedy) Wiat Smoot and Susanna his wife (late Susanna Kennedy) John Poindexter and Drucella his wife (late Drucella Kennedy) and Jane D Kennedy to the bill of complaint of Joseph Dillard exhibited against them and a certain John London in said superior court of chancery. These defendants now and at all times hereafter reserving to themselves the benefit of all just exception to the errors and imperfections of said bill of complaint and the matters and things therein contained to so much thereof as they are advised it is material and proper they answer and say, that it is true that some time in the month of Decer 1815 they sold to the pltf and the said John London jointly the tract of land in said bill mentioned at the price of \$7 the acre, and that the bond referred to in said bill was executed to them for the for the purchase money. They also admit that on the 28th day of December 1815 a title bond was executed to the plaintiff and the said John London jointly by the defts Joseph Kennedy William Wright Jesse Kennedy and John Farrar and that the bond made part of said bill is the same title bond. They also admit that at the time of said contract they represented themselves to be (as they actually were) the heirs at laws of Said Jesse Kennedy decd. that the said Jesse had died without a will - that at the time of his death he was seized and possessed of said tract of land which by a late survey was ascertained to contain 380-1/2 acres but that the deed by which the said Jesse claimed title to 100 acres part of said tract from Samuel Migginson and wife had never been recorded; yet that the purchase money had been paid and the said Jesse had enjoyed peaceable and uninterrupted possession thereof from the date of said deed to wit from the 9th day of December 1791 until his death that he had cultivated and improved the same had paid the regular taxes therefor that the same had so descended to them as the rightful heirs of said Jesse and that no claim whatever had been set up thereto adverse to said title and possession of the said Jesse since his death to the time of said contract - And of all this the pltf and the said John London before they entered into said contract and made said purchases were well advised and made themselves as well informed of the

subject as these Defts were or could be - They therefore utterly deny every allegations of the pltfs said bill so far as the same is inconsistent with what they have herein before admitted in relation to the understanding of the parties at time of entering into said contract - These defts do also utterly deny that the title to more than one half of the said tract of land is or was at the time of said contract in the heirs at law and legal representatives of the said Samuel Migginson or that the said Samuel died seized and possessed thereof or that the same did or could descend to the heirs at law of said Samuel if he be dead as the pltf has stated and now have produced to the court as well in support of the truth of the representations made by them at the time of said contract (herein before stated) as evidence of their title to the land in question and of the falsehood of the allegations of the pltf in relation thereto the original deed of conveyance of the said Samuel Migginson and wife to their said ancestor bearing date on the said 7th day of December 1791 which being marked A is hereunto annexed and prayed to be taken as part of this answer to be referred unto for greater certainty - this deed conveys but 100 acres only and contains the whole quantity being parcel of said 380-1/2 acres of which the title was derived from said Samuel Migginson as aforesaid and in which conveyance the heirs of said Samuel Miggeson and wife parties to said deed are bound by express words - These defts have at all times been willing and have offered to surrender said deed to the said Dillard and London but for reasons best known to themselves they have chosen to decline every just and equitable overture in relation to said contract on the part of these Defts and thus to involve them in unnecessary and vexatious litigation after having had the full benefit of said contract on their part being put into peaceable and quiete possession of said tract of land at the date of said purchase and so and & enjoyed the same ever since free from the claims or demands of all persons whatever and the said Pltf well knowing that said deed of conveyance is yet susceptible of being proved one of the subscribing witnesses thereto (Richard Bellesworth) being alive and resides in the State of Kentucky; the other subscribing witnesses are dead but their hand writing as well as the hand writing of the said Samuel Migginson is familiar in said county and can be well established as genuine and they do therefore deny the equity of the Pltfs said bill which charges a defective title in them so far as any thing is alleged inconsisted with what they have herein before admitted. These Defts do also deny that at the time of filing the Pltfs said bill that none of them except the Dfts Joseph Kennedy William Wright Jesse Kennedy and John Farrar and wife had made their deed to the pltf and the said John London and that this was the only step that had been taken towards the conveying of the land in question; on the contrary they herewith exhibit and shew to the court a copy duly certified and authenticated of a deed of conveyance admitted to record in the court of said county of Amherst wherein not only the Defts aforesaid but also the Defts Cinthia Wright William Kelly and wife and James Kennedy otherwise called James D Kennedy had joined in the same deed of conveyance to the said parties and was fully admitted to record in the court of said county of Amherst on the 16th day of August 1819 as will appear by reference to said copy of said deed of

conveyance hereunto annexed marked B and to be taken as part of this answer. They admit it to be true that at the time of filing said bill the Defts Poindexter and wife (being in another county) and the Defts Whittle and wife and Smoot and wife (residing in the State of Tennessee) had not made their deeds of conveyance, but the pltf well knows that steps had been taken to obtain the conveyance of said Defts and that there was no just cause to doubt that the same would be speedily produced as turned out to be the fact; because on the 18th day of October 1819 (a day or two only after filing said bill) the deed of conveyance of the Defts Poindexter and wife was obtained and duly admitted to record in the said county court as will appear by the copy thereof hereto annexed marked C duly authenticated and to be taken as part of this answer and on the 1st day of Decr 1819 the Deft Whittle and wife and Smoot and wife also joined in a deed of conveyance which being regularly certified from the county of Rutherford in the State of Tennessee to the said county of Amherst was admitted to record in the court of said county on the 21st day of Febuary 1820 as appears by the copy of said deed of conveyance hereto annexed marked D duly authenticated and to be taken as part of this answer and as the title of said tract of land having been regularly conveyed to the Pltf and the said John London in the spirit and according to the terms of the said original contract by all the heirs of the said Jesse Kennedy decd and previous to the time these Defts could have had judgment on the bond for the purchase money aforesaid upon which they were compelled to bring suit and the Plaintiff & the said John London after repeated applications before suit was brought having entirely failed to pay any part of the purchase money even the portions of those who were always ready and had joined in the conveyance aforesaid and were originally bound for the title according to their express agreement so to do (viz) to pay the respective portions of those of the Defts as they should come into the conveyance aforesaid - those Defts do humbly conceive that the filing of said bill was premature unnecessary and unjust and intended merely for embarrassment and delay; in as much as the confession of Judgment at law offered by the pltf cannot as they are advised facilitate a recovery the said John London a joint obligor in said bond not being bound to confess a judgment on his part but has artfully been made a party Deft to said bill and for what purpose these Defts do not pretend to conjecture; they know nothing of and have nothing to do with the transactions between the Pltf and said London further than that one of the rent bonds for said tract of land executed by the Deft Joseph Kennedy to the said Dillard and London for the rent of the year 1816 of the premises aforesaid went into the hands of the said John London who has refused to admit the same as a discount of any part of the said purchase money due to the said Deft Joseph as aforesaid and has actually brought suit thereupon in the court of said County of Amherst. Wherefore having answered all the allegations of the Pltfs said bill so far as they are advised it is needful so to do and denying all fraud and unjust combination these Defts pray that the Injunction awarded to the pltf may be dissolved and that they may be

hence dismissed and recover their reasonable costs in this behalf expended to be adjudged to them - and as in duty bound will ever pray &c

On about March 31, 1821, at Amherst County, Virginia, Chancery Court File 7, Joseph Dillard and John London filed a new complaint alleging that the legal description of the deeds from the heirs of Jesse Kennedy to the plaintiffs were incorrect and conveyed only 230-1/2 acres rather than 380-1/2 acres of land:

"To the Honorable Creed Taylor Judge of the Superior Court of Chancery directed by Law is be holden in Lynchburg

Your Orator Joseph Dillard and John London humbly complaining respectfully shew, that they purchased of a certain William Wright and Cynthia his Wife Joseph Kennedy Nimon Whittle and Oney his wife William Kelly and Nancy his Wife, John Farrar and Mary his wife, Wiatt Smoot and Susannah his Wife Jesse Kennedy, Jane Kennedy and Drusilla Kennedy which said Cynthia, Joseph, Oney, Nancy, Mary Susannah, Jesse, Jane & Drusilla are the children and Heirs of Jesse Kennedy the elder decd; a Tract of Land in the County of Amherst containg Three Hundred and Eighty and a half acres of Land - for which they agreed to give to the said Heirs Seven Dollars per acre, that your Orators having executed their Bond for the purchase money and having received no title to the Land, were sued on their Bond in the Superior Court of Law for the County of Amherst, and having no adequate remedy at Law, were driven to apply to your Honour to restrain the said Persons hereinafter called Defendants, from compelling your Orators to pay the money untill the title was made The Injunction asked for was granted, and afterwards dissolved, on the said Defendants making to your Orators what was concieved at the time to be a good and Sufficient title by their Deeds herewith exhibitted marked A B & C. It will be seen by reference to the plat and survey herewith fild markd D Certified by the Clerk of the Superior Court of Chancery for the Lynchburg District and being an exhibit in said Injunction, what are the metes and bounds of the 380-1/2 Acres of Land purchasd by your Orators of the said Defendants and for which they should make to your Orators a Deed, but instead of doing so it will be seen that the Tree Deeds herewith exhibitted contain different courses, and that the Deeds A & B when platted and the quantity of Land within their courses asscertaind, contain only 230-5/10 Acres as will appear by a plat herewith fild marked F and that the Deed markd C represents Courses and boundaries wholly different from the plat D and on being surveyd out by your Orators is found to Contain about 400 Acres but runs entirely off the Land represented by the Plat D, running into the Lands of a Certain John Alcock and taking upwards of One hundred Acres of his Land - your Orators presume that the acceptance of these Deeds as a sufficient title to the 380-1/2 Acres of Land, was an inadvertence in the Court, which will be corrected as soon as made known, as they convey to them only the quantity of \$230-5/16 Acres. Your Orators further state that they have paid to the said Defendants the following sums in part discharge of Said Debt to Jesse Kennedy \$350. the 18th Novr 1820 as per recpt No 1. to Joseph Kennedy \$152.79/100 the same date per recpt No 2 to William Kelly and Jesse Kennedy the 9th Decr 1820 the Sum of \$375 pr recpt No 3 and to John Farrar the 20 Jan'y 1821 \$130. pr recpt No 4 - It will be seen by reference to the papers markd No 5 & 6 7 that the County Court of Amherst have restrained your Orators from paying amery(?) Wiatt Smoots part of said Debt being One Ninth thereof - amounting to about \$375 which sums make the total of \$1382. add to which the deficiency of 150 acres of Land at Seven Dollars per acre is 1050 - which sums at any event your

Orators are advisd ought not to be drawn from them - But they insist that inasmuch as it is in the power of the Dfts to make a title to the full quantity of \$380-1/2 acres they should be compelld to do so in compliance with their contract, and your Orators remonstrate against accepting a Deed for a less quantity, which they believe your Honour would not have said should be done if you had been apprizd of the fact - notwithstanding the circumstances aforesaid the said Defendants are now harrassing your Orators with an execution having no refference to the Orders of the County Court of Amherst aforesaid and taking no step whatever to correct the said Deeds or to make to your Orators a title for the \_\_\_\_ granting \_\_ satisfying themselves with the Deeds imposd upon your Orators & the Court, and retaining in their Hands the Legal title to about 150 acres of the 380-1/2 Acres of Land your Orators are advisd that this Court will decree an exact and specific performance of a contract where it can be done, and that it will not permit the Defendants in execution of their contract to convey only part of the Land as they may choose. In tender consideration whereof may it please your Honour to enjoin the said Defendants from all further proceeding on the Judgment of the Superior Court of Law for the County of Amherst till the further Order of this Court, to decree that the said Dfts make to your Orators proper Deeds for the 380-1/2 acres and that the Deeds A B & C be cancelld and if they shall refuse to do so, inasmuch as this in their power may it please your Honour to decree order & provide that the contract aforesaid be cancelled Your Orators refunded the money they have paid and the Land conveyd to them held bound as a Security therefor and to give your Orators all other and further aid and relief.

On October 22, 1821, at Amherst County, Virginia, Chancery Court File 7, William Wright and Cynthia Wright and other heirs of Jesse Kennedy filed their answer to the new complaint denying the allegations:

"The joint and several Answers of William Wright, and Cynthia his Wife, Joseph Kennedy, Ninion and Oney his Wife, William Kelly and Nancy his Wife, John Farrar and Mary his Wife, Wiat Smoot and Susanna his Wife, Jesse Kennedy, Jane Kennedy and Drusilla Kennedy, to the bill of Complaint of Joseph Dillard and John London, exhibited against them in the Superior Court of Chancery holden at Lynchburg.

These Defendants reserving to themselves the full benefit of all and all manner of exception usual and proper in Chancery proceedings, to the manifest errors, insufficiency and want of certainty of said bill of Complaint, for Answer to so much and such parts thereof, as they are advised it is material and proper that they should make answer unto, they answer and say - It is true the said Complainants did purchase of those Defts, being Children and heirs of Jesse Kennedy (the elder) decd a tract of land lying in the County of Amherst descended to them from their said ancestor, and that the same was estimated to contain the quantity of 380-1/2 acres, "be the same more or less", and according to that estimate, ascertained by the Survey of Charles Christian sanctioned(?) in said title, the Complainants contracted to purchase said tract of land at the price

of \$7. an acre, making the gross Sum of \$2663.50 Cash, for which they executed their bond to these Defts, which Bond is the foundation of the Judgment mentioned in said bill, and then as they are advised, if the said tract should happen to contain more than the estimated quantity, they could not demand the surplus of the Complainants, provided the same did not unreasonably exceed the estimated quantity, and that according to the same rule, the Complainants have no right to an abatement \_\_\_ wherefore these Defts deny the exposition of the said contract as set out in said bill, and for further information as to that matter, beg leave to refer your honor to the complainants former bill, the answers of these Defendants, the exhibits filed, and the proceedings therein had.

These Defendants deny that the title to said land, heretofore conveyed by them, is incomplete, and your Honor will perceive by reference to the Deeds mentioned in said bill, these Defts have to \_\_\_\_\_ reasonable purpose conveyed to the Complainants a good and sufficient title to all the land described in the said original contract "of which the said Joseph Kennedy (the elder) deid seized in fee, and which descended to these Defts," according to the law of the land - And therefore should it be true (but which they do not admit) that a mistake has happened committed either by the Surveyor in noting \_\_\_\_\_ courses or distances, or by the scriveners who drew said Deeds, in copying from the Surveyors plat - yet that there is sufficient certainty in the title already acquired by the Complainants, to protect their interests, to every needful intent, and purpose, and is in conformity to said original Contract as these Defts do humbly contend and insist - and that a Court of equity will consider "that as certain which can be rendered certain".

These Defendants most positively deny, that they have ever misled or deceived, the Complainants, in notation to said Contract or Conveyance - because the Complainants were as well acquainted with the situation of said tract of land, and of the title thereunto as those Defts were themselves; they both attended the Surveyor Charles Christian, with the Deft Joseph Kennedy, who shoewed the lines, at the time of making this first Survey, which was the foundation of this contract - And the Complainant London having previously relinquished his title, to the Complainant Dillard, he (Dillard) attended the Surveyor Norvell with the said Dft Joseph, who again shewed the same identical lines as he had done before, and in the estimated quantity produced by each Survey, there appears to be a difference of only 19-1/2 acres, which these Dfts are advised is not at all unusual upon such occasions, and cannot retract the said original Contract; and if it did so, to the extant of said difference, that it would be unreasonable to postpone the dissolution of the Injo of the Complainants, for more than the amount of said difference; should said honorable Court consider it expedient to direct another Survey.

These Defendants deny that they have sold the Complots one tract of land and conveyed them another, or that they have attempted to impede any Conveyance situation upon the said Complot incompatible with their contract - the fact is that in relation to these matters, these Dfts have \_\_\_\_\_ to gratify even the caprice of the Complot and if there be anything wrong it is attributed most \_\_\_\_\_ to the Complots and not to the Defts, as it is most clear from the complexion and character of this whole transaction, the Defts have been actuated by no notion, but the basest motive of collecting a debt partly due to them for a valuable consideration long since conveyed and delivered to the Complots and of which they have had the peaceable and uninterrupted possession ever since the date of the said bond and it is utterly untrue that these Defts claim to hold the legal title to one part of the land sold as aforesaid, and all the said Dfts being of lawful age disclaim every pretension whatever to any such claim - it has been their intention to convey such title as they held to the Complainants, this has been their main object, and they humbly conceive that they have done so by surrendering along with their said Deeds, the title papers of their said ancestor.

These Defendants admit that the Complainant Dillard made the payments stated in said bill, subsequent to the dissolution of his first Injunction, all of which were allowed upon the Execution which was awarded to these Defts upon a motion on the said Complainants forthcoming Bond, as will be seen by reference to the Judgment of the Supr. Court of law hereunto annexed as part of this Answer; and need not to have been noticed by said bill, unless to give colour to some ground of equity not otherwise easily to be made out - that as to the attachment in Chancery depending in the County Court, in relation to the interest of Wiat Smoot, these Defts can only say, that the aforesaid Jesse Kennedy is a cotemporaneous(?) attaching Creditor, to the full extent of that interest, which is also depending in the same Court with the said Thomas Aldridge, but no deception has been had in either case, although of long standing, and it is uncertain which of said parties will prevail; but be that matter as it may, these Defts are advised and do insist that the Complots have no interest in this matter, as it must be immaterial to whom they make payment, provided they are discharged of their Debt, and that the said County Court is Competent to enforce its own order and to do justice between the parties according to their rights and manner (as to these Defts appear manifest) there is a fraudulent collusion between the Complotd Dillard and the Attaching Creditor Aldridge, to subserve(?) the purposes of said Aldridge, and at the same time to give colour to something like equity in the statements of the complots bill, as said attached has now been depending upwards of four years, and no steps taken to facilitate a decision, as will appear by reference to the decretal order hereto annexed and to be taken as part of this bill.

Wherefore these Defendants having answered to the material allegations of said bill of Complaint and denying that they have failed to convey the legal title to the tract of land aforesaid, according to their Contract; denying also that they have

conveyed other lands to the Complainants, than the land descended to them as aforesaid, or that they have retained the legal title to any part therefor, or that the Complainants according to the terms of said original contract, are entitled to any abatement on account of the aforesaid \_\_\_\_ deficiency in quantity, or if so not beyond the value of the 19-1/2 acres, provided that deficiency should be found actually to exist. And denying finally that the Complainants, have any equity whatever against the justice of their said demand, and and unlawful condemnation \_\_\_\_ these Defendants pray that the said Injunction of the Compls may be again dissolved, and that they may be hence dismissed, and have their reasonable costs in this behalf expended, to be adjudged to them, and will ever pray &c

This record indicates that William Wright was born in about 1814, but this seems clearly an error. The probable answer is that the census taker misread his notes and listed his age as 36 rather than 86 and William Wright was probably born in about 1764.

Following the death of 1851 William Wright and in about March 1852 his son William A. Wright filed his complaint in Amherst County, Virginia, Chancery Court, File Number 49, regarding the trust established by the will for Jesse K. Wright and a sale of the decedent's land:

"To the worshipful County Court of Amherst in Chancery sitting:

Your orator William A. Wright humbly complaining, respectfully represents: That his father William Wright, on the \_\_\_\_ day of \_\_\_\_ 1851, departed this life, having first made and published his last Will and Testament in writing, which was duly proved and admitted to record by the county court of this county, on the 15th day of September, 1851, and an office copy whereof is herewith exhibited, marked A, and prayed to be taken as part of this bill. Your orator charges that the said William Wright left considerable real and personal estate, and children, to wit, Mary J. Purvis, the wife of George M. Purvis, formerly Mary J. Wright, Eliza M. Proffit, the wife of Robert H. Proffit, formerly Eliza W. Wright, Mildred T. Griffin, the wife of John Griffin, formerly Mildred T. Wright, Jesse K. Wright and the plaintiff in this suit. This real estate lies in the county of Amherst, adjoining the lands of Jas. D. Watts, David Appling and others, and is the same land on which the said William Wright lived at the time of his death, and contains 200 & some few acres. One fifth part of said real estate is devised to your orator, in his own right, in fee simple, and another fifth to him in trust for the said Jesse K. Wright, subject to certain limitations which will more fully appear from the will itself. Your orator, however, has not, in any form, ever accepted this trust, nor does he intend to do so, and now express declines it that its management may be confided to other hands. The remaining three fifths of the said testator's real estate is given by his will to his said three daughters, each taking one fifth part,

during their natural lives, and after their death to their respective heirs. There are now in esse infant children of the testator's daughters, under twenty one years of age, to wit, James M., infant child of the said George M. & Mary J. Purvis, Mary S. and Alice, infant children of the said Robert H. and Eliza W. Proffit, and Mary W., infant child of the said John and Mildred T. Griffin. Your orator is anxious to receive his portion of his testator's bounty, but is of opinion that a division of the land in kind for that purpose would greatly lessen its value to himself and all others interested with him in it. He charges that the interest of all concerned will be promoted by a sale of the land, and is advised and believes that this can be effected without violation to the rights of any one.

To this end, therefore, and as your orator is remediless at law, he prays that the said George M. Purvis and Mary J. his wife, formerly Mary J. Wright, Robert H. Proffit and Eliza W. his wife, formerly Eliza W. Wright, John Griffin and Mildred T. his wife, formerly Mildred T. Wright, Jesse K. Wright and the said James M. infant child of the said George M. & Mary J. Purvis the said Mary S. and Alice, infant children of the said Robert H. & Eliza W. Proffit and the said Mary W. infant child of the said John and Mildred T. Griffin, by their guardian ad litem, be made parties defendant to this bill and be compelled to answer its allegations on oath. And your orator asks that the said real estate may be sold by a commissioner of the court and his portion of the proceeds paid over to him, and for such further aid and relief as may be consistent with equity. And as in duty bound will ever pray &c.

William A. Wright"

On March 9, 1852, at Amherst County, Virginia, Chancery Court, File 49, John and Mildred T. Griffin filed their answer to the complaint agreeing to the sale of the land:

"The joint answer of John Griffin and Mildred T. his wife to a bill of complaint exhibited by William A. Wright, against them and others, in the county court of Amherst in Chancery sitting:

These respondents saving the usual benefit of exceptions to the plaintiff's bill, for answer thereto, or to so much thereof as they are advised it is material for them to answer, answering, say: That they admit the death of William Wright as alleged by the plaintiff in his bill, and that the copy of his will exhibited is a true one. They also admit the plaintiff's allegations as to the propriety of selling the lands mentioned in his bill, and unite with him in asking a sale by a decree of this court. This deponent having been first duly sworn, deposeth and says: That he is well acquainted with land belonging to the Est of William Wright Decd and thinks from the situation that it would be advantageous to all the parties interested, to sell and not divide; from the fact that the Land is poor and worn out, and the small quantity thus subdivided would be allmost worthless.

"In pursuance of a decretal Order of the County Court of Amherst, pronounced July term 1852, in the case of William A. Wright vs. G. M. Purvis & Others, the undersigned, after having given the publications required by the decree, went on the premises and offered for sale to the highest bidder about the hour of twelve on the first day of September last, the tract of land mentioned in said decree on the following terms; fifty dollars to be paid down one third of the balance to be paid in twelve months, one third in two years and the remaining third in three years. Bonds with approved personal security to be given by the purchaser, and

the title to be retained until the last payment be made. Robert H. Proffitt being the highest bidder, the land was sold to him for seven hundred and fifty dollars, who, after paying fifty dollars down, executed three bonds with William A. Wright as security, payable in one, two, and three years. I have paid T. W. Dillard twenty dollars for his fee in the suit, and the Editor of the Lynchburg Republican one dollar sixty two and a half cents for advertising the sale of the land both of whose receipts are herewith annexed, also taken twenty four dollars for my commission. The other four dollars 37 1/2 cents are retained to meet further demands. The bonds are deposited in the clerks office. All of which is respectfully submitted 17 Decr. 1852

To the Worshipful County Court of Amherst in Chancery sitting:-

Your Orator William A. Wright, humbly complaining, respectfully represents: That his father William Wright, on the \_ day of \_\_\_\_ 1851, departed this life having first made and published his last Will and Testament in writing which was duly proved and admitted to record by the County court of this county, on the 15th day of September, 1851, and an office copy whereof is herewith exhibited, marked A, and prayed to be taken as part of this bill. Your Orator charges that the said William Wright left considerable real and personal estate, and children, to wit, Mary J. Purvis, the wife of George M. Purvis, formerly Mary J. Wright, Eliza W. Proffit, the wife of Robert H. Proffit, formerly Eliza W. Wright, Mildred T. Griffin, the wife of John Griffin, formerly Mildred T. Wright, Jesse K. Wright and the plaintiff in this suit. This real estate lies in the County of Amherst, adjoining the lands of Jas. D. Watts, David Appling and others, and is the same land on which the said William Wright lived at the time of his death, and contains 200 & some few acres. One fifth part of said real estate is devised to your Orator, in his own right, in fee simple, and another fifth to him in trust for the said Jesse K. Wright, subject to certain limitations which will more fully appear from the will itself. Your Orator, however, has not, in any form, ever accepted this trust, nor does he intend to do so, and now express declines it that its management may be confided to other hands. The remaining three fifths of the said testator's real estate is given by his will to his said three daughters, each taking one fifth part, during their natural lives, and after their death to their respective heirs. There are now in esse infant children of the testator's daughters, under twenty one years of age, to wit. James M., infant child of the said George M. & Mary J. Purvis, Mary S. and Alice, infant children of the said Robert H. and Eliza W. Proffit, and Mary W., infant child of the said John and Mildred T. Griffin. Your Orator is anxious to receive his portion of his testator's bounty, but is of opinion that a division of the land in Kind for that purpose would greatly lessen its value to himself and all other interested with him in it. He charges that the interest of all concerned will be promoted by a sale of the land, and is advised and believes that this can be effected without violation to the rights of any one.

To this end, therefore, and as your orator is remediless at law, he prays that the said George M. Purvis and Mary J. his wife, formerly Mary J. Wright, Robert H. Proffit and Eliza W. his wife, formerly Eliza W. Wright, John Griffin and Mildred T. his wife, formerly Mildred T. Wright, Jesse K. Wright and the said James M. infant child of the said George M. & Mary J. Purvis, the said Mary S. and Alice infant children of the said Robert H. & Eliza W. Proffit and the said Mary W. infant child of the said John and Mildred T. Griffin, by their Guardian ad litem, be made parties defendant to this bill and be compelled to answer its allegations on oath. And your orator asks that the said real estate may be sold by a

commissioner of the court and his portion of the proceeds paid over to him, and for such further aid and relief as may be consistent with equity. And as in duty bound will ever pray &c.

William A Wright"

On March 9, 1852, at Amherst County, Virginia, Chancery Court, File 49, George M. and Mary J. Purvis and Robert H. and Eliza W. Proffit filed their answer to the complaint agreeing to the sale of the land:

"The joint answer of George M. Purvis and Mary J. his wife, and Robert H. Proffit and Eliza W. his wife, to a bill of complaint, exhibited by William A. Wright against them and others, in the county court of Amherst, in chancery sitting:

These respondents, saving the usual benefit of exceptions to the plaintiff's bill, for answer thereto, or to so much thereof, as they are advised it is material for them to answer, answering, say: That they admit the death of William Wright, as stated in the plaintiff's bill, and the other matters and things therein alledged as to the disposition of his estate by his last will and testament. These respondents, concurring with the Plaintiff as to the propriety of a sale of the lands in order to a division, unite with him in asking the court to decree the same for that purpose. And having answered, they pray to be hence dismissed &c.

To the Worshipful County Court of Amherst in Chancery sitting:-

Your Orator William A. Wright, humbly complaining, respectfully represents: That his father William Wright, on the \_ day of \_\_\_\_ 1851, departed this life having first made and published his last Will and Testament in writing which was duly proved and admitted to record by the County court of this county, on the 15th day of September, 1851, and an office copy whereof is herewith exhibited, marked A, and prayed to be taken as part of this bill. Your Orator charges that the said William Wright left considerable real and personal estate, and children, to wit, Mary J. Purvis, the wife of George M. Purvis, formerly Mary J. Wright, Eliza W. Proffit, the wife of Robert H. Proffit, formerly Eliza W. Wright, Mildred T. Griffin, the wife of John Griffin, formerly Mildred T. Wright, Jesse K. Wright and the plaintiff in this suit. This real estate lies in the County of Amherst, adjoining the lands of Jas. D. Watts, David Appling and others, and is the same land on which the said William Wright lived at the time of his death, and contains 200 & some few acres. One fifth part of said real estate is devised to your Orator, in his own right, in fee simple, and another fifth to him in trust for the said Jesse K. Wright, subject to certain limitations which will more fully appear from the will itself. Your Orator, however, has not, in any form, ever accepted this trust, nor does he intend to do so, and now express declines it that its management may be confided to other hands. The remaining three fifths of the said testator's real estate is given by his will to his said three daughters, each taking one fifth part, during their natural lives, and after their death to their respective heirs. There are now in esse infant children of the testator's daughters, under twenty one years of age, to wit. James M., infant child of the said George M. & Mary J. Purvis, Mary S. and Alice, infant children of the said Robert H. and Eliza W. Proffit, and Mary W., infant child of the said John and Mildred T. Griffin. Your Orator is anxious to receive his portion of his testator's bounty, but is of opinion that a division of the land in Kind for that purpose would greatly lessen its value to himself and all other interested with him in it. He charges that the interest of all concerned will be promoted by a sale of the land, and is advised and believes that this can be effected without violation to the rights of any one.

To this end, therefore, and as your orator is remediless at law, he prays that the said George M. Purvis and Mary J. his wife, formerly Mary J. Wright, Robert H. Proffit and Eliza W. his wife, formerly Eliza W. Wright, John Griffin and Mildred T. his wife, formerly Mildred T. Wright, Jesse K. Wright and the said James M. infant child of the said George M. & Mary J. Purvis, the said Mary S. and Alice infant children of the said Robert H. & Eliza W. Proffit and the said Mary W. infant child of the said John and Mildred T. Griffin, by their Guardian ad litem, be made parties defendant to this bill and be compelled to answer its allegations on

oath. And your orator asks that the said real estate may be sold by a commissioner of the court and his portion of the proceeds paid over to him, and for such further aid and relief as may be consistent with equity. And as in duty bound will ever pray &c.

William A Wright"

On May 10, 1852, at Amherst County, Virginia, Chancery Court, File 49, Jesse K. Wright filed his answer to the compliant agreeing to the sale of the land and requesting the appointment of a successor trustee to his brother William A. Wright as to his portion of the estate:

"The answer of Jesse K. Wright to a bill of complaint exhibited by William A. Wright, against himself and others in the County Court of Amherst, in chancery sitting:

This respondent, saving the usual benefit of exceptions to the plaintiff's bill, for answer thereto, or to so much thereof as he is advised it is material for him to answer, answering, says: That he admits the death of William Wright, and that the copy of his will filed is a true one. This respondent concurs with the plaintiff in the propriety of a sale of the lands mentioned in his bill, and unites with him in asking a decree of this court for that purpose. This respondent's portion having been devised to William A. Wright, the plaintiff, in trust for his benefit, and the said William A. Wright having declined the trust, this respondent asks that Robert H Profitt may be appointed by this court in place of the said William A. And having answered he prays to be hence dismissed &c.

To the Worshipful County Court of Amherst in Chancery sitting:-

Your Orator William A. Wright, humbly complaining, respectfully represents: That his father William Wright, on the \_ day of \_\_\_\_ 1851, departed this life having first made and published his last Will and Testament in writing which was duly proved and admitted to record by the County court of this county, on the 15th day of September, 1851, and an office copy whereof is herewith exhibited, marked A, and prayed to be taken as part of this bill. Your Orator charges that the said William Wright left considerable real and personal estate, and children, to wit, Mary J. Purvis, the wife of George M. Purvis, formerly Mary J. Wright, Eliza W. Proffit, the wife of Robert H. Proffit, formerly Eliza W. Wright, Mildred T. Griffin, the wife of John Griffin, formerly Mildred T. Wright, Jesse K. Wright and the plaintiff in this suit. This real estate lies in the County of Amherst, adjoining the lands of Jas. D. Watts, David Appling and others, and is the same land on which the said William Wright lived at the time of his death, and contains 200 & some few acres. One fifth part of said real estate is devised to your Orator, in his own right, in fee simple, and another fifth to him in trust for the said Jesse K. Wright, subject to certain limitations which will more fully appear from the will itself. Your Orator, however, has not, in any form, ever accepted this trust, nor does he intend to do so, and now express declines it that its management may be confided to other hands. The remaining three fifths of the said testator's real estate is given by his will to his said three daughters, each taking one fifth part, during their natural lives, and after their death to their respective heirs. There are now in esse infant children of the testator's daughters, under twenty one years of age, to wit. James M., infant child of the said George M. & Mary J. Purvis, Mary S. and Alice, infant children of the said Robert H. and Eliza W. Proffit, and Mary W., infant child of the said John and Mildred T. Griffin. Your Orator is anxious to receive his portion of his testator's bounty, but is of opinion that a division of the land in Kind for that purpose would greatly lessen its value to himself and all other interested with him in it. He charges that the interest of

all concerned will be promoted by a sale of the land, and is advised and believes that this can be effected without violation to the rights of any one.

To this end, therefore, and as your orator is remediless at law, he prays that the said George M. Purvis and Mary J. his wife, formerly Mary J. Wright, Robert H. Proffit and Eliza W. his wife, formerly Eliza W. Wright, John Griffin and Mildred T. his wife, formerly Mildred T. Wright, Jesse K. Wright and the said James M. infant child of the said George M. & Mary J. Purvis, the said Mary S. and Alice infant children of the said Robert H. & Eliza W. Proffit and the said Mary W. infant child of the said John and Mildred T. Griffin, by their Guardian ad litem, be made parties defendant to this bill and be compelled to answer its allegations on oath. And your orator asks that the said real estate may be sold by a commissioner of the court and his portion of the proceeds paid over to him, and for such further aid and relief as may be consistent with equity. And as in duty bound will ever pray &c.

William A Wright"

The 1850 Census for Amherst County, Virginia, listed Milly Wright in the William Wright household on December 5, 1850, and her age as 19 and born in Virginia, indicating a date of birth in about 1831.

The marriage record of Mildred T. Wright and John H. Griffin was dated on December 11, 1850, at Amherst County, Virginia, with William Wright as surety:

The marriage record of Frances Wright and William Hollingsworth was dated on June 13, 1807, at Amherst County, Virginia:

As set forth above, the William Wright of this deed was 1851 William Wright of Amherst County, the probable son of William Wright, Jr., and his first wife. The sale of land from

Frances (Wright) Hollingsworth and her husband to William Wright suggests a possible family relationship. As set forth below, Frances (Wright) Hollingsworth was born in about 1766 or 1767, which is consistent with the birth of 1851 William Wright in possibly 1764 and indicates that they would be siblings. For those reasons, Frances (Wright) Hollingsworth is identified as possibly a daughter of William Wright, Jr., and his first wife.

In her email dated March 26, 2003, Becky Duncan stated that the obituary of Frances Hollingsworth was published in the Nashville Daily Gazette on January 2, 1859:

"Died in this city on the evening of the 30<sup>th</sup>, Mrs. Frances Hollingsworth, in the 92nd year of her age."

This record indicates that Frances (Wright) Hollingsworth was born in about 1767.

Mayors of Nashville stated that Henry Hollingsworth was a son of Mr. and Mrs. William Hollingsworth and was born on August 18, 1808, in Nelson County, Virginia:

"Henry Hollingsworth

He was married a second time to a widow, Mrs. Ann Bell Dozier Stump. He served as Mayor, 1837-1839. Mayor Hollingsworth died January 24, 1855."

In her email dated August 9, 2009, Becky Duncan stated that among materials on Henry Hollingsworth provided by the Tennessee State Library & Archive was an eight page manuscript titled "Henry Hollingsworth, Mayor, 1837-1838, S. N. Hollingsworth, Mayor, 1859", which stated the following:

"Little is known about Henry Hollingsworth's early life. Records show that he and his twin sister, Mary Ann, were born August 18, 1808, in Nelson County, Virginia, and came to Tennessee as children, with their parents, William and Frances Wright Hollingsworth."

In her emails dated March 26, 2003, and March 5, 2007, Becky Duncan also stated that William Hollingsworth was born in Frederick County, Virginia, was a soldier in the Revolutionary War, married first Jemima Mays, married second Frances Wright, and moved in about 1818 to Davidson County, Tennessee, that Frances (Wright) Hollingsworth died on December 30, 1858, in Nashville, Tennessee, and was buried in the Old City Cemetery, Nashville, Tennessee, and that William Hollingsworth and Frances (Wright) Hollingsworth had the following twins:

- 1) Henry Hollingsworth, born in 1808 in Nelson County, Virginia, and
- 2) Mary Ann (Hollingsworth) Burlington, born in 1808 in Nelson Co, Virginia.

"Henry Hollingsworth in the Davidson Co. TN county court records on p. 184 of the November 4, 1834 session: It is a certificate issued on the motion of William J. Brown esquire and the satisfaction of the court that Henry Hollingsworth is a "man of good moral character and that he has attained the age of twenty one years and is a citizen of this country - it is therefore ordered that these facts be certified as a preparatory step to his obtaining license to practice law in this state."

"The rhetoric of the Democratic party since Jackson had pitted the common man against the privileged interests, against monopoly, and against the use of government to serve the purposes of pietistic platforms. In Nashville, too, the Democratic mayor Hollingsworth had appealed to the 'poor' . . . Hollingsworth's efforts to eliminate the poll-tax requirement for voting were unsuccessful, however, and his resolution to allow free people of color a school was ultimately withdrawn."

In his GenForum Posting dated June 30, 2003, Jack Zuccarello also stated that Henry Hollingsworth was a Democratic elector for James K. Polk in the 1844 Presidential election.

This record indicates that Ann Eliza (Burlington) Collins was born in January 1841 and that Jesse Collins was born in August 1832.

(I) Ida (Collins) Crafton, Her Husband Daniel S. Crafton, And Her Descendants

Ida (Collins) Crafton was a daughter of Ann Eliza (Burlington) Collins and Jesse Collins. (William<sup>1</sup>, William<sup>2</sup>, Frances<sup>3</sup>, Mary Ann<sup>4</sup>, Ann Eliza<sup>5</sup>)

The 1870 Census for Davidson County, Tennessee, listed Ida Collins in the Jesse Collins household on August 24, 1870, and her age as 11 and born in Tennessee, indicating a date of birth in about 1859.

The 1880 Census for Davidson County, Tennessee, listed Daniel Crafton in the Jesse Collins household on June 16, 1880, his age as 36 and born in Tennessee, indicating a date of birth in about 1844, his relationship as son-in-law, his marital status as widower, and his occupation as merchant. In addition, the census record listed Walter Crafton, age 3 and born in Tennessee, indicating a birth in about 1877, and his relationship as grandson. In addition, the 1900 Census for Davidson County, Tennessee, listed Walter Crafton immediately adjacent to Jesse Collins, his birth in February 1877 in Tennessee, and with a daughter named Ida Collins Crafton. These listings, in conjunction with the 1870 Census, indicate that Ida Collins married Daniel Crafton probably before 1877, had a son Walter Crafton in February 1877, and died before June 16, 1880.

Tennessee State Marriages, 1780-2002 listed the marriage of Daniel S. Crafton and Sallie M. Craig on December 20, 1894, at Williamson County, Tennessee:

"Daniel S Crafton  
To  
Sallie M Craig

Issued Dec 19th 1894

I solemnized the Rite of Matrimony between the within named parties on the 20th day of Dec., 1894

The 1900 Census for Williamson County, Tennessee, listed Daniel S. Crafton with the following household on June 16, 1900:

This record indicates that Daniel S. Crafton was born in August 1843. The number of years married for Daniel S. Crafton was originally listed as 24 and then that number was crossed out and listed as 6. This indicates that Daniel S. Crafton and Ida (Collins) Crafton were married in about 1876, he then based his answer for the number of years married on his first marriage date, and the census reviewer corrected that to the number of years married to his second wife. This listing and correction identify this Daniel S. Crafton as the same person as the husband of Ida (Collins) Crafton and the father of Walter Crafton.

G. Possibly Mary (Wright) Woody And Her Husband Thomas Woody

Mary (Wright) Woody was possibly a daughter of William Wright and Esther (\_\_\_\_) Wright. (William<sup>1</sup>)

The Wills Of Amherst County, Virginia, 1761-1865 compiled by Rev. Bailey Fulton Davis listed the administration of the estate of Thomas Woody on June 7, 1784, at Amherst County, Virginia, W.B. 2/174 and the inventory and appraisement of the estate on March 7, 1785, at Amherst County, Virginia, W.B. 2/217:

"Thos. Woody -- Book 2, Page 174 -- Administrators Bond -- Mary Woody and Wm. Wright Jr., June 7, 1784, for Mary Woody,  
Book 2, Page 217 -- Inventory -- no total; Ro. and Jas. Wright, Chas. Statham; March 7, 1785."

William Wright, Jr., Robert Wright, and James Wright were all sons of William Wright (Amherst County). The naming of all of them as surety for Mary Woody or appraisers for the estate of Thomas Woody suggests a possible family relationship. In addition, as set forth above, there were numerous Woody marriages into the Wright family, which also suggests a possible family connection.

In his email dated February 14, 2007, Stan Edmunds stated that Mary (Wright) Woody was born in 1749 and died on August 20, 1824, in Barren County, Kentucky. A date of birth in 1749 would be consistent with the births of the other children of William Wright (Amherst County) and Esther (\_\_\_\_) Wright, which occurred as follows:

- 1) Robert Wright, born probably before 1746,
- 2) James Wright, born between 1740 and 1750,
- 3) John Wright, born probably before 1751,
- 4) \_\_\_\_ (Wright) Hibit, born probably before 1753,
- 5) Andrew Wright, born December 25, 1748, and
- 6) William Wright, born before 1765.

However, further research will be required to confirm the identification of Mary (Wright) Woody as the daughter of William Wright (Amherst County) and Esther (\_\_\_\_) Wright.
